14. (Unclassified - THW) LEGISLATION Called Jack Brady and Everett Bierman, on the staff of the House International Relations Committee, and thanked them for getting our language into the conference report on S. 2662, clarifying the language restricting narcotics enforcement action overseas.

15. (Unclassified - WPB) LEGISLATION Called Dave Schaefer, Majority Counsel, Senate Government Operations Committee, and discussed the Agency's problems with a financial disclosure provision in S. 495, which the Committee is in the process of marking up. Schaefer said he was aware of the problem and that he had discussed it with John Childers, Minority Counsel. He expected the inclusion of an exemption for intelligence personnel.

16. (Unclassified - WPB) LEGISLATION Stopped by to see Tom Hart, Senate Judiciary Committee staff, about the conference on the Federal Election Campaign Act today. Senator Robert Byrd (D., W. Va.) is one of the conferees, and Hart assured me that Senator Byrd knew of the financial disclosure problem and would raise the issue at the conference.

17. (Internal Use Only - WPB) LEGISLATION Stopped by to see the following individuals to discuss the Agency's problems with the financial disclosure provision in the Senate version of the Federal Election Campaign Act: Tom Cooper, Minority Counsel, House Administration Committee; and Larry Smith and Andrew Gleason, Senate Rules Committee staff. I provided each with a one-page summary of the problem and possible remedial language. Each felt their respective bosses would seek to accommodate the Agency's interests at the 4:00 p.m. conference committee meeting today.

18. (Unclassified - WPB) LEGISLATION Dropped off with Senator Howard Cannon (D., Nev.), Chairman of the Senate Committee on Rules and Administration, a letter from the Director concerning the financial disclosure provision in the Senate version of the Federal Election Campaign Act.

19. (Unclassified - WPB) LEGISLATION John Childers, Minority Counsel, Senate Government Operations Committee, called concerning the Committee's mark-up of S. 495. We discussed the financial disclosure section in the bill. He said that Senator Charles Percy (R., Ill.) would seek a provision which would accommodate Agency "cover" interests. He believed that the majority staff and members were amenable to such a provision.
